It appears to be too late to take any action - Lists - original & final - have all been furnished.

Please place this before the Ld Secy. The Deputy Commrs, even if they are authorised, will not be in a position to take any action - Fresh lists will have to be published, both for voters & candidates & voting papers will have to be changed and reprinted. There will be no end of trouble & the elections are coming on - Date of Meeting will have to be changed and all this is not possible, according to programme so the meeting should come off - in March.
